

# NOTICE

In the light of unfortunate incidence in Paris, France and flood /water logging disaster in Chennai, India, Organizing Committee of ICER-16, Luebeck, Germany has decided to extend last date for abstracts submission up to **27<sup>th</sup> December, 2015**. Other important dates will be as usual.

All the researchers and academicians who are interested for Luebeck congress are therefore requested to note down the new date and send their research articles at the soonest.

Thanks and Regards

Kanika Shakya

First Officer

ICER-16
