

NOTICE

Sub.: Printing of research articles received during ICER-14, Bangalore, India

It is in compliance of our commitment during ICER-14, Bangalore, India that we have completed publishing of all research articles which we have received during the congress. As stated earlier, we could publish only those articles where we have got co-operation and continuous reply of the author(s). Since, we are at the verge of completing the publication material obtained during Bangalore conference, you are requested to see whether you have got your research article published in the Journal JERAD and if it is not so kindly mail me back with the reference number of your research article so as to explore the issue at the earliest.

Kindly ignore this email if your paper has already been published in JERAD.

Seeking your blessings and co-operation as ever.

Regards
Ms. Kanika
